The Director,
Siddhigiri Hospital & Research
Centre, Kolhapur
(SANSCAR)

I am writing to express my sincere gratitude for the exceptional care provided to my mother, Mrs. Snehanki S. Lingayat, during her recent admission from 22th July 2024 to 24/7/2024 due to a road traffic accident resulting in a head injury. She was promptly attended to & received critical care in the ICU under the supervision of Dr. S. Mayakke, the neurologist.

Specially, I would like to commend (Dr. Mayakke) for their expertise & dedication in managing my mother's condition. Their clear communication, willingness to address our concern & proactive approach in her treatment plan have been reassuring throughout her stay.

I commend the entire medical team like doctors, nursing staff, students, coworkers for their professionalism & dedication.

Thank you once again for your commitment to patient care & ensuring her well-being.

With Gratitude

Ms. Bhaqyashni Lingayat
